BIG TICKET ITEM

Church of the Epiphany has adopted the PWRDF H₂Oh! project for its international outreach. We are taking on the challenge to raise money for as many bore wells as we can for areas in Africa in need of clean water.

A bore well not only ensures a community will have clean drinking water but that girls and women will not spend hours each day collecting it. In Tanzania, it means girls now have time to go to school.

~PWRDF

With donations currently being matched 6:1 by Global Affairs Canada, we feel that this is a great project for Epiphany Outreach!

A gift of
\$2,000
with \$12,000 match
= actual cost
\$14,000
