GARDEN FENCING We have been planning to fence in the back area of the church surrounding the Memorial Garden to prevent the continued damage being caused there. While we have been able to gather some of the monies necessary, the estimate for the work is in the \$20,000-range. We believe the fencing is necessary; therefore, we appeal to parishioners to cover the cost. Please help by making a financial gift to the project. Make cheques payable to the Church of the Epiphany, marked "Fence". Thank you for your generosity.

We're Buying the Whole Farm!

Our 2019 International Outreach project will help families in Mozambique, Uganda, Burundi and Tanzania through the PWRDF "Buy the Whole Farm" initiative. With the provision of items suitable to their circumstances, they will learn to use sustainable farming techniques to improve their nutrition and create an income!

1 Cow	\$2400
1 Goat	\$220
2 Pigs	\$210
5 Sheep	\$350
40 Chickens	\$280
20 Guinea Fowl	\$280
20 kg bag Seeds	\$220
Farm Tools	\$350
Total	\$470

PWRDF receives SIX dollars from Global Affairs Canada for every ONE dollar received!

Additional livestock gifts are also possible!
 e.g. 10 ducks or rabbits for \$20

With the government matching program, for only \$470 we can provide gifts of livestock, farm tools and seeds to increase food security and help farmers adapt to climate change. AND... livestock offspring are shared with other community members so this gift can keep on giving!

"Buying the Whole Farm" contribution envelopes are available from the Outreach Team.
