## From the Desk of our Archdeacon

### A reflection on Lenten observances

The Ash Wednesday service in the Book of Alternative Services invites the participants in the liturgy to 'observe a holy Lent by self-examination, penitence, prayer, fasting and almsgiving, and by reading and meditating on the word of God' (BAS p. 282).

Attempting to address all of these elements of Lent is a laudable goal but so too is focusing on one or two so that discouragement doesn't overwhelm the attempt.

Fasting, for instance, can mean skipping lunch for the duration of the season, or staying away from a particular food. The purpose of this action is to develop the spiritual fruit of self-control and grow in our understanding that God is the source of our food. Almsgiving is assisted by choosing a particular organization to support and dedicating some money toward it. The Church of the Epiphany is suggesting that Alongside Hope (formerly PWRDF) become a target for alms in this congregation during this year's Lenten season. Reading and meditating on the word of God will be assisted by a number of exciting and interesting Bible studies that are listed below. You are all invited to consider how you might 'observe a holy Lent' - perhaps by choosing one or more of these activities.

- *Ash Wednesday services* - Feb. 18 at noon or 7 pm at the Church of the Epiphany
- *Thorneloe University 'Movies for Lent'*

The **Elgin Street Mission** has put out a request for women's and men's mitts - waterproof if possible. You can bring them to the church by February 8 and someone will take them to the mission.

After two(!) weekends of hard work our book sale is over for another year. The volunteer turn out was amazing and a huge thanks goes out to everyone – from unpacking, sorting, lifting, making coffee, providing snacks – just showing up and being supportive. The grand total collected for outreach was \$2254.

Church of the Ascension is hosting a **Shrove Tuesday Pancake Supper** February 17 from 4:30 to 6:30 pm at 1476 Sparks St.

A freewill offering will be accepted to benefit Support Ascension.

### **Memorial Garden**

It's been many years since the design and maintenance of our Memorial Garden has been reviewed. A dedicated group of parishioners will meet to decide what are the next steps needed to revive this space and how we can maintain it going forward. A meeting has been scheduled for **Friday, February 13<sup>th</sup> at 1pm** in the Algoma Room.

**ALL ARE WELCOME.**

Please see Barb Bolton for more details.

## Outreach February Project

Our Outreach project for February is in support of a request from the Sudbury Food Bank. As our winter continues the poster below details their immediate needs. If you have any donations, please bring them to the church by Sunday, Feb. 22 and put them in the food box across from the Algoma Room.

**february WISH LIST**

Help us turn cold days into cozy meals *for Sudbury families.*

*Keep these items in mind on your next grocery run!

Since we are midway through flu and cold season, this is a reminder that **any disposable medical masks can be brought to the church for recycling.** Used masks can be put in the box under the table across from the office. Once the box is full, they will be sent to a company where they are taken apart and the various materials are then recycled. This is another small step we can take to deal with environmental waste.

## Mid-Week Eucharist

Archdeacon Glen Miller will be leading this group on **Wednesdays** from 11:30 – 12:30.

We will meet in the Algoma Room, celebrate the Eucharist together and discuss the lesson of the day. Coffee and tea are provided. Bringing your own lunch is encouraged. Hope to see you there. For more information, please contact Carrie in the Church Office.
